

Brand Guidelines

Brand Introduction

This page provides an overview of our brand. We are committed to delivering quality products and services that meet the needs and expectations of our customers.

Vision

To elevate intern management through smart systems, seamless payroll, maximized savings — and advanced financial support when it's needed most.

Mission

To be the trusted partner service providers rely on to get the job done — faster, smarter, and more profitably — through advanced technology, deep industry expertise, and an unwavering commitment to their success, giving them a competitive edge for future business.

Our Logo

Our logo is a key representation of the Lulaworx brand and must be used with care to maintain its integrity and impact.

To ensure consistency, always use the logo in its original form and adhere to guidelines regarding color, scale, and clear space.

The minimum required clear space around the logo is defined by the height of the lowercase “u” in Lulaworx.

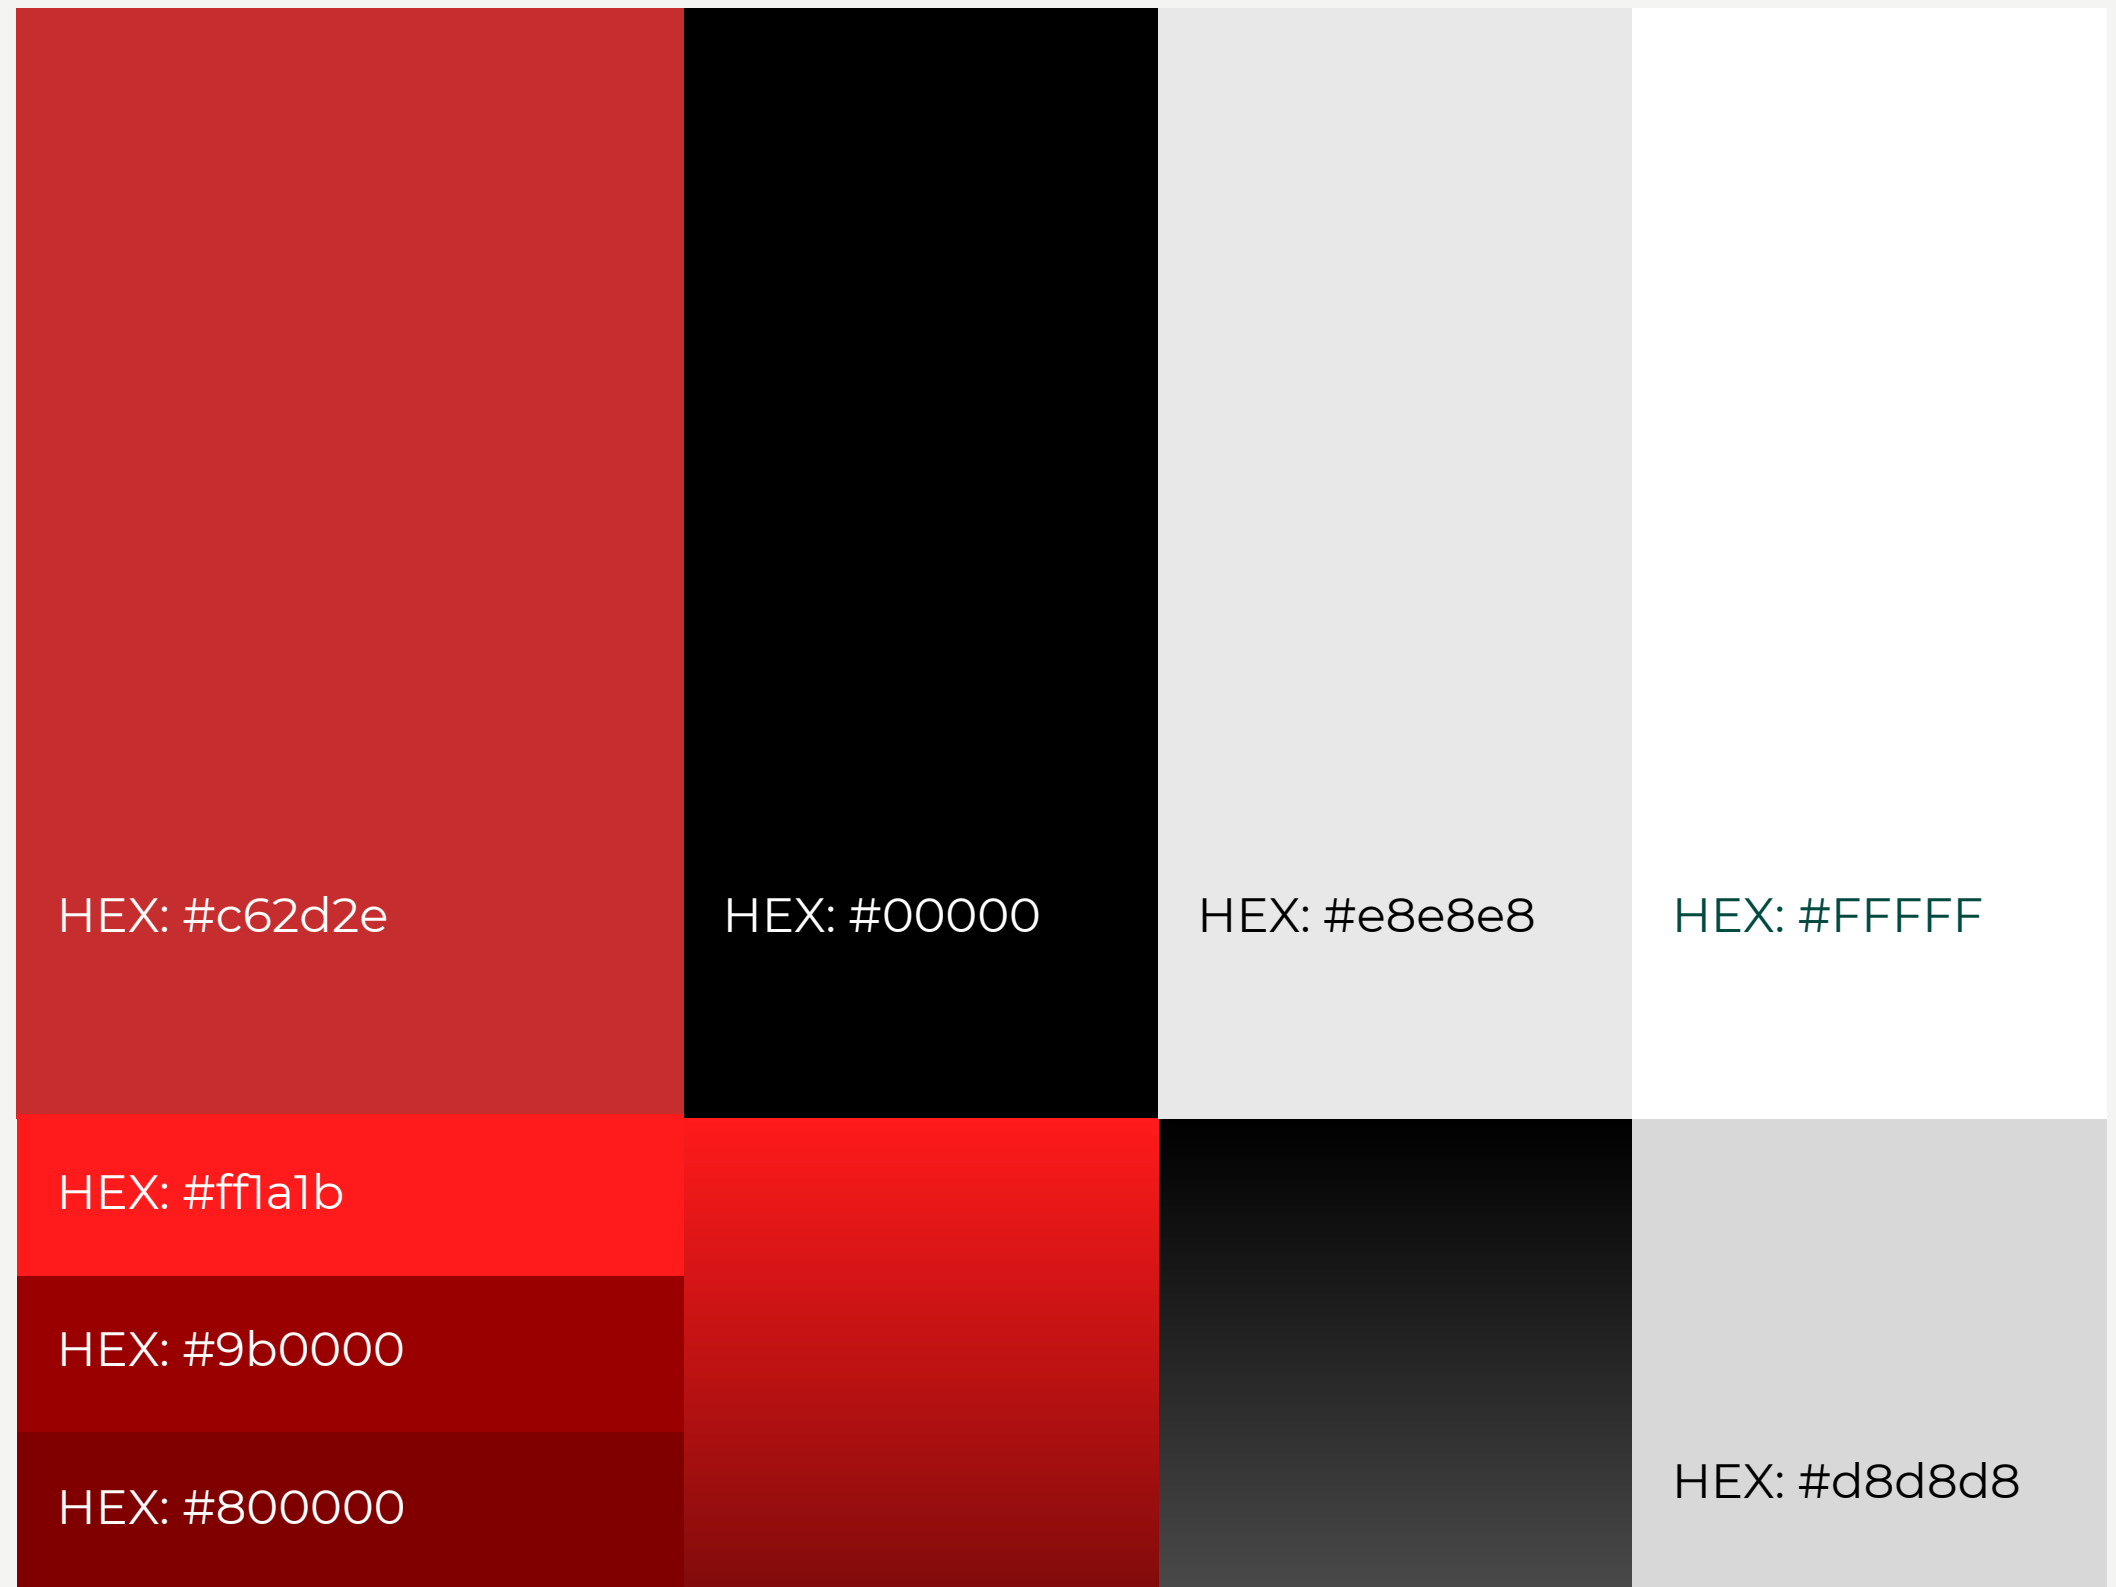

Logo Colour Use

- Use the white logo on dark or busy backgrounds to maintain clarity and contrast.
- Use the black or red logo on light, neutral backgrounds for optimal visibility.
- Avoid placing the logo on colours or images that compromise legibility or clash with brand colours.
- Never alter the logo colours outside the approved palette.

Colour Palette

The Lulaworx colour palette reflects our bold, professional, and reliable brand identity. Each colour has been carefully selected to communicate trust, clarity, and impact

Typography

We use a font selected for readability and elegance. This typography helps to reinforce our brand identity and should be used in all communications.
